

## **SPECIAL CLUB CELEBRATIONS – MEDALIONS & ATTENDANCE**

Clubs frequently decide to mark special events and anniversaries with special occasions, usually dinners or lunches. These might include 10, 20, 25, 30, 40 or 50 year anniversaries.

The Club provides medallions to clubs when they reach 25 years (silver) or 50 years (gold). Some clubs choose to invite the President and/or the General Secretary to attend and present them.

If your club is planning a special celebration and would like the President and/or General Secretary to attend it would be appreciated if adequate notice could be provided. Some 2-3 months' notice would be appreciated. Every effort will be made to attend but as you would appreciate this can be difficult if notice is short.

Medallions are sent to clubs usually 3 months prior to the anniversary of the club. If your club has not received it by then please contact the General Secretary.
